

Full range of dry-cleaning and laundry accessories

Open up a whole range of possibilities with products provided in customer-oriented, regionally adapted wholesale quantities and manufactured exclusively by Mevo.

Potential savings when it comes to order quantity, administration, and transport logistics represent a logical synergy. This is why we offer our customers a wide choice of products and complete our range by also producing accessories. Manufacturing facilities for the production of skirt clips were developed especially for this very reason.

A selection from our wide range of accessories
